## Chardonnay 2012 McLaren Vale

**Love lost... Life remembered... Life worth living...**

My mind's eye searches the fog of time....memories. I know it felt once! My damned curse!! WHEN??? The haze. The pain or lack thereof. A glimpse...a thread of memory...my beloved!! Stay!! It beats...stay!! The fog comes quicker. Gone for another season.

Passions entwined with memories and glass. As you hold this bottle you truly have in your hands a snapshot in time; a celebration of a vintage; a stylistic interpretation of varietal and regional characteristics; and now your memory of this very moment.

My heart is lost to me but yours to find. My life's work never ending; only to give and surrender to it. Can I regain? Regroup again? In your hands lies the truth.

Vinum Vitae  
Adam Hooper, Creator

### **Tasting Notes**

**Colour** - Medium straw with golden hues

**Nose** - Citrus lift with brooding notes of green apple and delicate complexities of oak spice

**Palate** - A svelte style with exceptional minerality, streamlined fruit profiles of lemon curd, hints of lychee, fig and subtle cinnamon spice. The judicious use of French oak combined with ageing and stirring on lees for 12 months builds some flesh

12.0% ALC/VOL
